

WANTED: VOLUNTEERS

Take God's Good News to Kids this Summer. . .

Right Where They Are!

CEF's primary summer outreach is through *5-Day Club*®. Join us as we share God's love and introduce boys and girls to Jesus this summer. Children gather in parks, community centers, and other locations for five consecutive days to hear the Gospel clearly presented through Bible lessons, exciting games, songs, and activities. It's like Vacation Bible School on the road!

FOCUS: PATERSON

During the week of July 17-21, teams of CEF-trained volunteers will conduct clubs in Paterson parks and other locations where children are already assembled. You can be part of a team that makes a difference in kids' lives as you share the life-transforming Gospel message.

FOCUS: YOUR NEIGHBORHOOD

Assemble a team and have a *5-Day Club* in your own backyard, park, or community center. We'll provide training and materials.
